RESPONSE TO RESTRICTION REQUIREMENT

Sir:

Responsive to the Restriction Requirement mailed March 27, 2002, Applicants hereby elect the invention of Group I (claims 1-8) drawn to a process of making a component, classified in class 29, subclass 840. This election is made without prejudice to Applicants' right to file divisional applications directed to the non-elected groups.

A prompt and favorable action on the merits of this application is now respectfully solicited.

Should the Examiner determine that any further action is necessary to place this application into better form, he is encouraged to telephone applicant's
